

## **Middle East Electricity Awards Recognize Sembcorp Salalah for HSE initiatives**

Sembcorp Salalah has been awarded the Certificate of Recognition in the “HSE Project or Initiative of the Year” category in the prestigious Middle East Electricity Award (MEEA) 2015.

Facing stiff competition from numerous outstanding Companies from all over the Middle East region including Oman, Sembcorp Salalah Power & Water Company SAOG emerged as one of the 3 companies recognized in this category.

The Middle East Electricity Awards (MEEA), UAE is an event that recognizes, celebrates and rewards the outstanding achievements of the organizations that contribute to the growth and development of the energy industries with focus on the power, HSE, renewable energy, nuclear and water sectors.

The eventual winners were announced at a grand Awards ceremony on 2nd March 2015, at the Dubai World Trade Centre. The ceremony was attended by Mr. Lim Yeow Keong, CEO, Sembcorp Salalah and Mr. Rakesh Kumar Jha, QHSE Manager, and received the Certificate from the Organizers in the presence of many companies representing the ceremony.

“This award is a testament of the company’s commitment to maintain a sustainable Integrated Management System to promote good HSE practices” says Lim Yeow Keong, CEO, Sembcorp Salalah.

In 2014, Sembcorp Salalah made its maiden entry to the Oman’s AIWA Awards and won the second position in the large cap segment for its best topline growth competing with sixty-four companies vying for the top slots. Earlier in 2011, Sembcorp Salalah was also a Global Water Awards winner of the Desalination Deal of the Year by Global Water Intelligence.
